

Sample Timeline

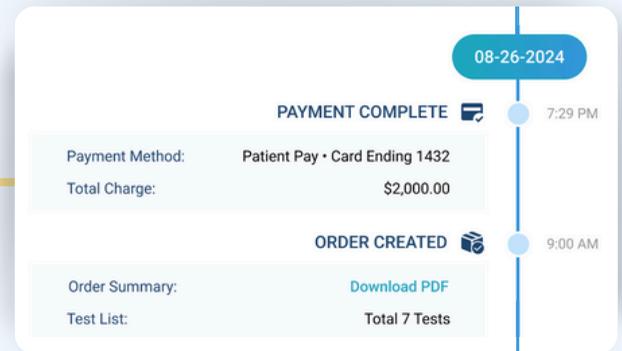

A clear, visual journey of every order, all in one place.

Clear, Connected Tracking for Every Order

The Sample Timeline gives providers a real-time, transparent view of each order stage. From creation to finished report, track your order through the entire journey.

1 See Real Time Updates

View a complete activity record that reflects each event as it occurs.

08-26-2024

PAYMENT COMPLETE  7:29 PM

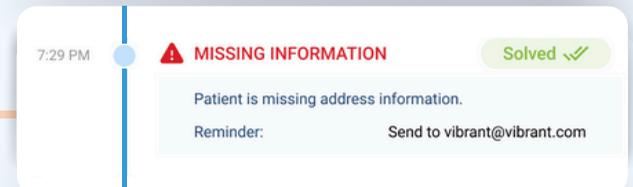

Payment Method: Patient Pay • Card Ending 1432
Total Charge: \$2,000.00

ORDER CREATED  9:00 AM

Order Summary: [Download PDF](#)
Test List: Total 7 Tests

2 See Alerts Faster

Alerts appear with clear tags and actionable steps to keep orders moving smoothly.

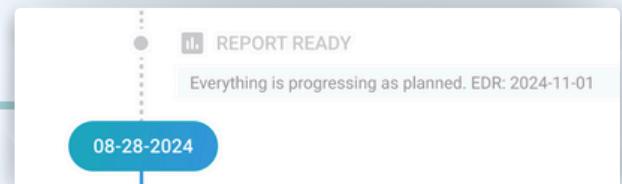

7:29 PM **MISSING INFORMATION** [Solved](#) 

Patient is missing address information.
Reminder: [Send to vibrant@vibrant.com](mailto:vibrant@vibrant.com)

3 Predictable Next Steps

Use Future Events to see upcoming steps such as payment completion, shipping, or report availability.

REPORT READY

Everything is progressing as planned. EDR: 2024-11-01
